

OUR GOAL, as a ministry team, is to show and model God's unconditional love for our children through worship, Bible study, ministry, and relationship in hopes of bringing them into a real relationship with Jesus Christ.

WORSHIP

Worship - We want our children to worship Jesus with all their heart, mind, soul and strength. The worship songs we sing encourage our children to not only lift their voice in praise, but also their hands and at times, their whole self to the Lord. Our goal is that they have a fun, yet meaningful time praising and worshipping God.

BIBLE STUDY

Bible Study - Psalm 119:11, "I have hidden your word in my heart that I might not sin against you." Studying God's word is more than facts and events. For this reason, we strive for more than just Bible knowledge in our teaching time with our children. God's Word needs to be experienced both within the safe setting of our classroom and in real application in their schools, homes and neighborhoods. We encourage our children to "not merely listen to the word, and so deceive yourselves..." but to "Do what it says." James 1:22

MINISTRY

Ministry - No where in the Bible does it talk about the adults of God versus the children of God. In His eyes we are all the same. Because of that, we invite our children to participate in any and every ministry opportunity available at Redeemer Church. Our hope is that they will see the value in serving others, just as Jesus came to serve, not to be served. (Mat 20:28)

RELATIONSHIP

Relationship - It is our hope that we will be able to model and build Christian relationships with each of our children. As we model to them, it is our goal that they will begin to search out to build and model Christian relationships with those around them who may, or may not know Jesus. We also hope to provide safe, wholesome gatherings for our children in order to help build friendships that will last a lifetime.
